

KS2 Statutory Attainment 2023

Pupils are assigned a category of performance, which represents whether they are working at the expected standard, below the expected standard or at greater depth in the expected standard.

These statistics cover the attainment of year 6 pupils who took assessments in summer 2023. These pupils experienced disruption to their learning during the pandemic, particularly at the end of year 3 and in year 4. There were no assessments in 2020 and 2021.

The following data for Peterborough and National has not yet been validated. When the DfE does this later in the academic year, we will update if required.

KS2 SATs Comparison

KS2 SATs	% Exp+ 2019	% Exp+ 2022	% Exp+ 2023	% Nat Exp+ 2023	2023 School vs Nat Comparison
Reading	71	83	78	73	+5
Writing	58	54	47	71	-24
Maths	81	91	75	73	+2
RWM Combined	53	51	42	59	-17
Grammar, Punctuation & Spelling	75	72	76	72	+4

Progress Scores (KS1-KS2)

Most schools will have progress scores between -5 and +5.

If a school has a progress score of 0 this means that on average their pupils achieved similar results at the end of KS2 (end of year 6) to pupils in other schools with similar results at the end of KS1 (end of year 2). If a school has a positive progress score this means that on average their pupils made more progress than pupils in other schools with similar results at the end of KS1.

For example: a score of +3 in reading would mean that on average pupils at the school got 3 scaled score points more in the KS2 English reading test, compared to other pupils nationally with similar results at the end of KS1.

A negative score doesn't mean a school has failed or pupils have made no progress. It just means that on average their pupils have made less progress than pupils in other schools with similar results at the end of KS1.

For example: a score of -4 in maths would mean that on average pupils at the school got 4 scaled score points fewer in the KS2 maths test, compared to other pupils nationally with similar results at the end of KS1.

Subject	Longthorpe	National
Reading	1.45	0.04
Writing	-3.11	0.04
Maths	0.98	0.04

Average Scaled Scores

Scaled scores are used to report the outcomes of the SATs test, to ensure that the DfE can make accurate comparisons of performance over time as test questions vary year by year. A scaled score between 100 and 120 shows the pupil has met the expected standard in the test. The lowest scaled score that can be awarded on a key stage 2 test is 80. The highest score is 120.

KS2 Ave Scaled Score	2019	2022	2023
Reading	105	105	105
Maths	105	104	103
GPS	106	105	103
