Personal Success & Out of School Success

We celebrate children's other achievements in assemblies and the local press where appropriate

What do our parents say about why they chose us?

The reputation of the school for supporting children. Friends' children attended and were very happy here.

I chose the school because of the Ofsted report. The teachers are very helpful. Children and adults respect each other.

I was recommended by a close friend that has their children in the school and loved the environment and teachers. The school has a good performance on the government website.

I chose this school based on the Ofsted report and a friend's recommendation. I also follow the government website for school performance.

A good school where the children are cared for. All my children have come to Longthorpe and so did I!

We chose this school because we believe in providing the best education and provisions. Longthorpe Primary School and their staff certainly does this. My child certainly loves this school and the teachers. Forget Ofsted – look at how the children progress well.
